- 20) The **Vietnamese Genocide** by the USA (Lyndon Johnson) in Vietnam - 1965-74 - 1-2,000,000

This document is far from comprehensive in listing the atrocities perpetrated by agents of the Jesuits during the 20th century. There are numerous other exterminations of indigenous peoples all over the world which would be an exhaustive study on its own.

The Jesuits have been eliminating whole people groups using different methodologies for a long time and are masters of genocide. The Roman Catholic Church has been preparing and culling societies everywhere for the advent of its one world government the NWO ruled from Jerusalem.
